Welcome

The RedHawks of Indiana University Northwest are excited to have you visiting Gary, IN for our competition this season. We look forward to meeting your players and staff. Within this packet, you will find directions to our home facility and a list of information (hotels, dining, entertainment, etc.) that will assist you in your visit to IU Northwest. Our desire for every visiting institution is to present a first class program willing to do whatever we can to accommodate our visitors. Please take a minute and review all the information given.

Sports Information

The Assistant Athletic Director for Athletic Communications at IU Northwest is David Bork. Please send all updated statistical and media guide information to him at dwbork@iu.edu prior to your visit. If we don’t receive any information we will obtain the information from your website and assume it is correct.

Sports Medicine

IU Northwest uses Lake Shore Bone & Joint for their athletic training purposes. Lake Shore Bone & Joint provides student athletes with the best medical care possible following an injury, to return the athlete back to school and competition as soon as possible, and in the safest manner.

We assume your school will not be traveling with a trainer, but if they do please have them introduce themselves upon arriving and our trainer will show them the facilities we have for AT purposes.

If your team will not be traveling with an athletic trainer, our trainer, Jessica Gray, will assist your team with any AT needs. We ask that teams provide their own sports medicine materials.

Game Tickets/Passes

Ticket sales to all IU Northwest athletic events are $5 for the general admission. IU Northwest athletic department does honor visiting team NAIA passes. Each presented pass will admit one guest only. Additional team/player guest list will not be allowed unless approved by IU Northwest Director of Athletics prior to your team’s visit.
